CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

1. Statutory Advisory committee comprising of senior faculty members and head of the departments prepare the academic schedule in accordance with the academic calendar provided by Panjab University Chandigarh. 2. After discussing the workload in each department with head of the department, additional faculty is recruited as per requirement. Class wise timetable is drafted and subjects are allotted by heads to faculty members as per their specialization and expertise. Each department plans and divides its syllabus into two parts for each class. The printed copy of planned division of syllabus is made available to teachers and students. This helps to keep uniform pace wherever the class is divided into more than one section. 3. All the laboratories are updated every year as per the requirement of curriculum. 4. Teachers are encouraged to adopt learning centric & innovative teaching techniques and ICT tools. 5. College library has a good collection of books, journals and magazines. 6. Seminars, workshops, quiz, guest lectures are held to supplement classroom teaching. Educational tours, field trips and industrial visits are carried out in a phased manner to enhance the exposure of the students. Participate learning, problem solving methods, you-tube assisted learning are also used to optimise curriculum delivery. 7. Departmental meetings are held at regular intervals to ensure the timely completion of syllabus and discuss any problem with curriculum delivery. 8. Regular class tests are taken every month to track the progress of students. Performance in the tests is used to compile the internal assessment of students. Final assessment is also displayed on notice board so that students are aware about their assessment. 9. The record of all lectures delivered, attended and shortage of attendance if any is properly recorded. 10. Many teachers of the college are members of different boards of studies. The feedback about the syllabus (if any) given by students and teachers is properly communicated by members of boards of studies in their respective meetings. 11. The faculty regularly updates its knowledge by attending Orientation/Refresher Course/Workshops conducted by the colleges/universities. 12. Students are encouraged to give feedback about college and teaching methodology adopted by teachers, which is then properly analysed. It is also shared with teachers to ensure effective curriculum delivery and to identify any problem. 13. Structural feedback on curriculum is recorded from different stakeholders such as Students/Alumni/Parents etc.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The institution ensures academic, personal and psycho-social support to the students through a good mentoring system available in the institution. Guidance and Counseling is provided to the students, both at the academic and personal level by the faculty. They are guided for the right choice of the programmes/courses/elective subjects, opting of one or the other add on course etc. Special emphasis is laid on personal interaction between the students and teachers outside the classroom. Guidance and motivation continues throughout the year as the students are exhorted to participate in sports, cultural and co-curricular activities in order to enhance their personality. Students of this institution confide in their teachers and openly discuss their personal as well as family problems which are resolved by the faculty at the level of the student or sometimes with the involvement of their parents and the guardians as well. For change of faculty/ subject, the teachers as well as the head of the institution provide proper counseling to the students. The choice of the student and his/her performance in the lower exam passed as well as in the present class are given due consideration while allowing the change. At times, parents are also called for the benefit of the students, who have changed their subjects or faculty/programme. Guidance is also provided to advanced learners as well. They are identified on the basis of marks obtained in the lower exam passed, performance in the class, class tests. Such students are motivated to participate in co-curricular activities. They are suggested to consult extra study material. Many students have benefited from the personal and psycho-social support and guidance. Such students are in many cases identified by the teachers or are reported by their classmates/friends. The teachers have even reached out to their parents

to understand the problem and find an appropriate solution. Many students, who were reluctant to continue studies due to psycho-social or economic reasons or family problem, have been convinced to continue studies.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

For continuous evaluation, the affiliating university has introduced a component of internal assessment, the proportion of which varies from course to course. This forms the formative evaluation approach. This is mainly based on house tests to be conducted at the end of each term, attendance at lectures, snap tests, participation in discussions in class, written assignments, seminars, presentations, class performance, Mid Semester Tests etc. The criterion for internal assessment has been laid by the affiliating university. The applicability has been given due consideration while deciding it. It varies from course to course and also within the course for different subjects.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The IQAC of the college ensures that the academic calendar of the institution is prepared well ahead in the beginning of the session, keeping in mind the academic calendar of Panjab University, Chandigarh (affiliating University) for admissions and examinations. The academic calendar of the college includes the schedule of various academic and co-curricular activities to be undertaken by the institution in that particular academic session. The aim of the college academic calendar is to provide information to the students regarding the schedule of various activities of the institution such as bridge courses, remedial classes, in house and semester exams, so that they may prepare for the

things accordingly. Further, the IQAC ensures that the academic calendar of the college is followed as closely as possible, subject to conditions. Besides this, departments are also asked to prepare their respective academic calendars and activity schedules for the academic and co-curricular activities of their departments. The schedules are planned in such a way as to facilitate effective and efficient delivery of curricula and to assess and evaluate, regularly and continuously the learning outcomes of the students. In the current session, due to Covid-19 pandemic, the academic calendar of even semester was revised. The second and fourth semester students of UG classes were promoted to the next class by affiliating university, based on their internal assessment and previous year performance. However, the final year (6th semester) students had to face the new online pattern of evaluation adopted by the Panjab University, Chandigarh.

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

In order to make teaching and learning more effective, the institution regularly upgrades and enhances its infrastructure. The Master plan of the institution has been prepared. It provides for future addition of infrastructure as well. Future projects have been prioritized. Building projects are accordingly taken up almost every year. Availability of finances is also a major deciding factor. Consistent efforts are made to gather funds for this purpose from external sources.

- The institution has signed MOUs with LIBSOFT for maintenance and up-gradation of library software.
- The institution has AMCs for the maintenance of computer hardware and software.
- The campus is used by the people for walks, games, yoga and the gym for exercise etc. The college charges Rs. 200/- per month from the morning walkers and Rs. 300/- per month from the gym users. The campus and infrastructure like Hall, Seminar Room and computers are often used by the administration for its training programmes, census related activities, public welfare activities and conduct of elections.
- The college has a policy to modernize teaching technologies. New computers/hardware/software is being added/upgraded from time to time as per requirement. Equipment for labs is added as per requirement.
- The Library Advisory Committee constituting of faculty members, librarian and two student members. They plan and help in the purchase of books and other reading material.
- Most of the staff is covered under ESI Scheme of the Government. Medical Allowance is paid to some members of the staff. The college has provided insurance cover to the students.
- To make the campus user-friendly for the students with physical disabilities, ramps as well as special toilets have been constructed.
- It is ensured that the available infrastructure is effectively and optimally utilized. During the lean period/hours, a number of courses in the non-formal mode are also offered to the students as well as non-students in IT, Typing, English etc. The girl's hostel, though not occupied, is used during the organization of zonal and Inter-zonal youth festivals. The playgrounds are optimally utilized and sports facilities adequately used throughout the session. A number of students and members of the staff make use of the indoor Gym, fitted with the latest exercise gadgets and training machines. The college shares some facilities like grounds, hall, gymnasium and staff quarters with Guru Nanak Model Senior Secondary School, Doraha, run by the same management.
- The college has established a teaching aid cell. The members of the cell help the teachers for preparing computer-aided teaching/learning material. Special training programmes in the use of computers for the teaching staff have been conducted from time to time.
- The building is regularly repaired and painted. Electrical fittings are also replaced whenever needed. Maintenance of water purifiers, Xerox machines, computer software and hardware is done through AMCs. The fire extinguishers are refilled in time.

However, the equipment like generators, servos, inverters/UPS, etc. are regularly serviced and maintained. To prevent damage to sensitive equipments, we have installed servos and stabilizers.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization, Delegation and participative management are the important hallmarks in the administration of the college. The following are the two important practices which are in vogue in the college for the last many years.

1. The management functions through its executive which is an elected body. It has Principal as Ex-officio member with three elected staff members represents the teaching staff in management and put their views in discussions of management meetings. The Governing Body meets twice a year for overall planning of the college.
2. The administrative responsibilities of the college have been well segregated among faculty members and non-teaching staff. The functioning of the college is democratic and decentralized. All major decisions regarding internal day to day working are taken by statutory advisory committee in which senior faculty is the members. The college has constituted various other committees viz. time-table committee, library advisory committee, amalgamated fund committee, discipline committee, extension cell, career guidance and counselling bureau etc. The decisions taken by advisory committee are planned and implemented by Deans/Conveners of above mention committees or head of the departments in consultation with other members. The various decisions regarding working of departments like distribution of workload, organizing extension lectures/seminars, conducting capability enhancement activities are decided by head of the department in consultation with concerned faculty members.

Industry Interaction / Collaboration	<ul style="list-style-type: none">• The institution interacts with the industry for training, placements and providing facilities to carry out various projects by the students.• People from industry occasionally visit for training and placement of students.
Human Resource Management	<ul style="list-style-type: none">• As per workload of each department, appointments are made purely on merit basis without any racial discrimination as per university norms and workload is assigned as per UGC guidelines.• The administrative responsibilities have been well segregated among faculty members and non-teaching staff.• Participative decision making approach is followed in the institution.• Performance of non-teaching staff is monitored by office superintendent and the Principal.• Faculty members are encouraged to participate in career advancement activities like Refresher Courses/Orientation Courses/Workshops.
Library, ICT and Physical Infrastructure / Instrumentation	<p>Library:-. The Library has a Library Advisory Committee. It constitutes of faculty members and two student members. It plans and helps in the purchase of books and other reading material. The library is a consistently growing component of the institution. Requisition of books, journals and magazines to be purchased is demanded from departments every year. IT:- The software (JSR Technologies) is updated regularly for which AMC has been signed with outside agencies. Physical Infrastructure:- Infrastructure of the</p>

college is upgraded as per requirement. New computers/hardware/software are added/upgraded from time to time. Equipment for labs is added as and when required.

Research and Development

The college has budgetary provisions earmarked for research and development purpose. The amount is used to organize extension lectures and provide additional funds for seminars/conferences, if needed. The research committee has recommended some measures to ensure that this amount is utilized optimally for research activities.

- The research committee encourages the faculty to apply for minor and major research projects.
- Duty leave is allowed to faculty members to attend seminar/conferences
- Seed money is given to staff for carrying out their research projects.
- Facility of wi-fi and open access library is provided to staff for carrying out research work.

Examination and Evaluation

The institution follows the norms of Punjab university with regard to examination. To evaluate the performance of students mid semester tests and class tests are conducted.

- For ensuring transparency, the answer sheets of house tests are shown to the students.
- Internal assessment based on the marks secured by the students in these tests, attendance and practical work assigned (as per the university norms.) is displayed on the notice board.
- Performance of students is discussed by department head with teachers in department meetings.
- To evaluate the performance of teaching and learning, feedback is taken from students.

Teaching and Learning

- Academic calendar of the institution is planned before the beginning of the session.
- The syllabus of each subject is unitized term wise and printed copy of the same is provided to the students.
- Assignments, seminars, group discussions, presentation practices, debates, quiz, wall posters, audio visual aids, question answer session, class tests, snap tests, writing of project reports, case studies, field work, net surfing, workshops, surveys, mock-elections, real life events form an integral part of teaching learning

	process. • Training is provided to the teachers to ensure effective use of ICT.

All types of records such as student joining date, leave/struck off record, class, subject taken, university academic calendar is maintained using the software. Teachers marks attendance of students in online mode. Staff attendance is Bio-metric. Bar Coded I cards are issued to the students.
Finance and Accounts	The college maintains transparency in its finances as all the financial transactions are recorded using AccouPro Software, from which different financial statements are generated. Different grants and funds are obtained electronically as well as through cheque from various organizations. The salaries of staff, income tax deducted at same, electricity bills are electronically transferred through NEFT.
Student Admission and Support	Once the student takes admission and deposit fee in college, the roll number

is generated automatically through MIS and data of the student is ported in the college MIS. The database contains student's personal information, course information and subjects taken. This information is used to support students throughout the session for participation in various curricular activities.

Examination

The criterion of internal assessment of the students is prescribed by university which comprises of class attendance, assignment and class test performance. The assessment marks are sent to university electronically. The final examinations are conducted by the University once in each semester. For university exam data is sent to the university on the University Exam portal.
