

The Institution get the feedback from the stakeholders i.e., Students, teachers and alumni.

Student's Feedback

The student feedback is compiled on the grounds of syllabus. Most of the students acceded that syllabus was completed on time. Similarly, they were agreeing to the enhancement of their knowledge, skill and capabilities by the courses they were studying and also find it relevant. Most of the students also accepted to the fact that this time the courses were fully covered. They believe that teachers somehow were capable of using modern teaching aids. However, they opine that their syllabus somewhere lacks the employability skills.

Teachers keep them updated with the new developments in their subject/course by initiating examples from routine life happenings.

Teacher's Feedback

The institution also took feedback of teachers. As per this survey most of them believe that the syllabus was designed to bridge the gap between theory and practical. Their syllabus was completed on time. Library structure was found suitable by most of the teachers. However some teachers opined that there has been no up gradation of the syllabus from a very long time, so that is the reason that current syllabus somewhere lacks job opportunities. So up gradation of syllabus is the need of the hour & it must be done as according to the skills required by industry.

Alumni Feedback

The feedback was taken from the Alumni pertaining to the varied aspects of the curriculum studied. The alumni believe that the college contributed extensively in shaping their personalities. They accent that the faculty was readily available to solve their curriculum difficulties and spare extra time to guide them. Overall impression of the college was very good on the alumni and they also rate academic sphere of the college as high. The infrastructural facilities of the college were rated as good and needs more improvement. The environment of the college was found conducive for the improvement of the students by most of the alumni. The alumni rated the sports and culture activities as excellent. The Alumni highly recommended the college to near and dear ones for academic and overall growth. Some students commented that convocation should be held as early as possible so that they can meet their friends and teachers.

Suggestive Measures:

The feedback is taken from the stakeholders and the data collected is consolidated for drafting the report. The suggestions and comments received through the feedback are duly communicated to the college and any updation

required in curriculum is conveyed to various Boards of Studies and Committees by the faculty members.

Analysis of feedback and conveyed to the university

The contents of the syllabus should be updated according to the changing scenario and demand of the present day. The syllabus should be competent enough to create entrepreneur skills in the students. More practical aspects should be included in the syllabus. The syllabus must generate outcomes.

Conveyed to the Institution

In the next session convocation should be held. Up gradation of the library is must. The duration of the students to keep the books should be increased. ICT facilities should be increased. Alumni Meet should be included as an annual event. To indulge more alumnus in the institution for the betterment of the college.
